A fantastic discovery of Mongolia just for women travelers.

This exclusive offer for women covers Southern and Northern part of Mongolia.

With its 4 islands, Khuvsgul Lake is Mongolia's largest and deepest lake and known as "Blue Pearl". The Lake area is surrounded by forest mountains and only Eg river flows out from the lake although total 111 rivers flow in Huvsgul lake. The lake is 136 km long, 36 km wide, 262 meters deep from its surface to the bottom and reserves over 2% of the world's fresh water. The north-western part of Khuvsgul lake basin is a native place of reindeer people. The culture of these people have changed little and like many of Mongolia's nomads, and particularly those in the north, shamanism plays an important role in their lives. fun things to do in the area is horseback riding, hiking, drive upper hills to see the lake from top view and visit local nomad families.

The Gobi is known for its beauties yet unpopulated rich nomadic culture and nature wonders. We believe this tour will enthuse and open your eyes to the beautiful wilderness of an amazing country spread with kind nomads. And where you get travel deeper so the tradition, culture and lifestyle of nomadic people with its wilderness become more extraordinary; giving you more exceptional and authentic encounters.

The whole covered regions are as fascinating as their diverse. As well as seeing the main highlights of main destination of Mongolia, a holiday here can be tailored to whatever your interests. In this exciting epic holidays, we have arranged for you to stay in very nice traditional Ger camps in good positions.

We will transfer you from place to place. We think it is a great tour which gives you a real insight into Mongolia. As always with us though, you can change any of this if you want. Make it longer or shorter it's up to you.

## YOUR HOLIDAY INFORMATION

### Holiday Status

You no longer need to worry about cancellations due to low numbers as most of our departures in Mongolia, whether joining shared services for excursions or completely going solo, are guaranteed to depart. Depending on its uniqueness, adventure holidays are usually sold all inclusive of accommodation, meals and activities described. The price you pay is usually a direct reflection on the level of service.

### What the Price Includes

All of our holidays include the following services, as described in our itineraries: domestic flights (where appropriate), land transport, accommodation, meals, trip leaders and support staff and entrance fees to some national parks.

### What the Price does not Include

Visas, vaccinations, bar bills, extra drinks with meals, hotel refreshments, laundry, telephone calls, souvenirs, meals other than those specified in the relevant trip dossier.

### Transport

All transports during the trip are included transfers as per the itinerary.

### Accommodation

Besides offering well measured five star hotel in UB, we offer Ger camps which are the most common accommodation outside UB on our tours. Camping and stays in Ger camps are popular options, with some beautifully appointed stays in remote locations available for the adventurous. Accommodation in the Ger camp is two guests to share one Ger which is quite cozy well equipped with the key requirements being cleanliness, safety, comfort and a good location.

### Family Rooming

We will room your family in the most appropriate way using a mixture of twin, triple, double and single rooms as necessary. We will leave it to you to decide who shares with whom in your family group.

### Single Rooms

Most tours are based on customers sharing twin-bedded rooms. However, on many tours we offer the opportunity to pay a supplement to pre-book a single room.

#### Included Meals

All our tours include full board, but other meals are often not included especially in UB. This allows you to try the cuisine in local restaurants and also to choose what and where to eat and how much to spend. Please ask us before booking if you have any specific requirements.
